

Haunted Quarry & Underwater Pumpkin Carving Weekend!

The Annual Haunted Quarry weekend is scheduled for October 1 & 2 at Bainbridge Scuba Center. This weekend is a really fun time and we get to meet the likes of Freddy Kruger, Jason, and many ghosts, ghouls, and goblins. The Haunted Quarry night dive is spectacular and features underwater scary stuff. Costumes are strongly suggested to avoid the wrath of the undead! Every year we get more and more repeat divers because it's so much fun. Mark your calendars now!

The Pumpkin Carving Contest on Sunday really lets you show off your creativity. You won't believe some of these pumpkins! Carving is done underwater and features various categories to enter your carved masterpiece. Prizes are awarded for each category. Your entry fee includes the afternoon cookout! An incredible auction of scuba loot takes place after the Underwater Pumpkin Carving. The price is \$25 for each event or save \$10 and sign up for the Haunted Quarry and the Pumpkin Carving for \$40.

All proceeds to benefit the
National Ovarian Cancer Alliance in memory of all
divers who have passed and are with us in "spirit" only!
